The sole confident of my sorrows was a watched his chance till one of the men fell: highest degree of strength and confidence, accountrements, and bounded forward manizes heathen race, but from the products arising from the labor of these sleves possessed all the credulity and supersti-tion of a Brenton, assured us most seri-had known Marshal Fabert, and been with only four hours, and take all my riches—ion, while on her left reclined her deli-got yourself mained. Where is your sciences flourish. All, all, we say, from cate companion, in form and countenance wound?" At this question Quinto lost the impetas foliave labor. And should

tice and equity will be meted out to every the shoulder. In the back! The poor These are the grounds alleged at the derstand the sort of juggling made use of

> Ref Gov. Seward, United States Senaother, are to address mass meetings in the Sate of Michigan as follows: At Detroit on Tuesday, Sept. 4th.

At Lansing on Thursday, Sept. 6th.

At K damazoo on Saturday, Sept. 8th.

As a specimen of the way these meet-THE WAY TO DO IT .- If one wanted to Paris was speaking of them, and the papers were filled with my praises. The that verdant lawn, those limpid fountains; the robbin design of them are the same of them. They say that ex-President Fill- guished for zeal and devotion, he would Bell and Everett next November, "If no There is something very substantial about Where was Douglas when the Home- body else does." This is all right, and the Lansing Republicans. When they just what we expected from Mr. Fillmore, had determined upon their big meeting, to But how is he to vote for Bell and Ever- welcome Mr. Seward on the 6th of Sept., ett if there be no Be'l & Everett Electoral they drew up their subscription paper to ett if there be no Be'l & Everett Electoral pay expenses. One thousand dollars were ticket? Do the Hunts and Browless and subscribed, and principally paid in the Where was Douglas, when the Davis Duets suppose they are going to carry Mr. first day, and it is the intention to rules
